

DEWALT®

PRODUCT NAME

LANDER BLACK

KEY FEATURES

- BOA® Fit System
- Waterproof & Breathable
- Composite toe cap & midsole
- Wide Fit

ITEM DESCRIPTION

The DeWalt Lander BOA® work boot is designed for superior protection and comfort. Its nubuck leather upper is durable and water-resistant, while the BOA® fit system ensures a precision fit. The composite toe cap and midsole provide supreme protection in hazardous environments, and the toe scuff guard ensures long-term wear. A wider fit adds an extra layer of comfort and stability. Sturdy PU/Rubber outsole which is certified for ladder grip, resistance to fuel oil, scuff cap resistance, slip resistance and heat and oil resistant to 300 degrees celcius. The Lander is also certified to ESD standards. Find your ideal fit with the DeWalt Lander BOA® work boot.
