strong. sporty. functional.

uvex suXXeed

uvex suXXeed protects you all day at work and in almost any situation.

The dynamic look, the perfect-fit frame geometry and the soft, flexible nose pad leave nothing to be desired – wearer acceptance, comfort and protection are guaranteed. The ergonomically shaped side arms with extra-soft temple ends are now even more comfortable to wear, while still providing a secure hold. Even during intense physical activity and when performing strenuous work, the uvex suXXeed stays where it should be: in front of your eyes, for your protection.

If you need even more protection from dust and dirt, you can simply equip the uvex suXXeed with an optional clip-in frame.
